

## Immanuel College 2016 Stage 2 SACE Results

We are so immensely proud of the many achievements of our Year 12 students this year, and this pride continues in seeing the SACE results for the Class of 2016.

At Immanuel College, we provide an environment where ALL students, regardless of their background, aspirations and ability, can 'find their bit of sunshine', to quote Principal Kevin Richardson. To this end we offer our students the widest breadth of opportunities and options.

We congratulate all students who achieved their personal best this year, and know that they now have a foundation they can carry with them throughout life. We wish all our 2016 students every success in the months and years ahead in whatever path they choose.
