# Terms and Conditions of Enrolment

## ***Education Services for Overseas Students (ESOS) Framework***

All Australian education service providers are required to comply with the ESOS Framework which sets nationally consistent standards to protect the interests of overseas students and ensure the provision of quality education services. For information on the ESOS framework, refer to [www.aci.gov.au](http://www.aci.gov.au)

Under the ESOS Framework, Immanuel College has an obligation to ensure that the safety and wellbeing of all international students enrolled at the College.

**Please read the summary of the key requirements carefully. A breach of any of these requirements may result in the cancellation of a student's enrolment at Immanuel College.**

## ***Enrolment Conditions***

Immanuel College reserves the right, by written notice, to vary conditions of enrolment as may be necessary to comply with any law, regulation or amendment of the Commonwealth of Australia or State of South Australia.

## ***Arrival in Australia***

Parents are requested to ensure that students under the age of 18 do not arrive in Australia before the date their welfare arrangements begin as they will be in breach of their visa condition. The date is written in the Confirmation of Appropriate Accommodation and Welfare (CAAW) Letter which is issued by Immanuel College together with the Confirmation of Enrolment (CoE).

If a student under the age of 18 wishes to travel to Australia before this date, they must be accompanied by a parent or suitable relative who will provide welfare until the Immanuel College approved welfare arrangements begin. Immanuel College must be notified in advance of such arrangements. For more information, contact DHA at [www.homeaffairs.gov.au](http://www.homeaffairs.gov.au)

## ***Accommodation Arrangements***

No Immanuel College students are permitted to live independently while enrolled at the College.

All Immanuel international students must live in one of the following arrangements:

- in the Immanuel College Boarding House
- with a Homestay family arranged by Immanuel College
- with a suitable nominated relative approved by DHA
- with a parent

A fee may apply when Homestay changes are made. Where living arrangements change, the student/parent must provide Immanuel College with up-to-date residential details.

## ***Urgent Medical Care***

In the event of a student requiring urgent medical assistance, when the parents/ legal guardians cannot be contacted, Immanuel College is authorized to seek and provide appropriate medical care.

## ***Payment of Fees***

For the purpose of calculating tuition fees, a Study Period is defined as 2 terms, or a total of no more than 23 weeks duration.

Fees must be paid by the due date. If fees are not received by the due date, a late fee will apply.

Non-payment of required fees by the due date could constitute a breach of the student's visa conditions and result in Immanuel

College initiating processes to recover the fees and/or notify DHA. It may also be necessary for Immanuel College to exclude the student from school.

## ***Immanuel College Refund Policy***

All refunds will be processed according to the requirements of the ESOS Act and Immanuel College policies and procedures. The Fee Refund Schedule table sets out the circumstances where refunds will apply and the amounts that will be paid in each circumstance.

## ***Refund Procedure***

All requests for a refund of fees must be made in writing and accompanied by evidence. If the student is under the age of 18, the request must be signed by the student's parent/legal guardian.

The refund will be payable in the name of the parent/legal guardian unless notification has been received from the parent/legal guardian indicating another person/entity is responsible for the payment of fees.

An application for a refund will be processed within four (4) weeks of the date of receipt of the written application, unless Immanuel College is unable to deliver the course. In this case the refund will be processed within 14 days. The student/parent will receive a statement that explains how the refund amount has been worked out.

## ***Damage, Loss or Unpaid Accounts***

Students and their parents are responsible for covering the cost of any damage, loss or unpaid accounts in the College, Immanuel Boarding House or Homestay.

In all cases, the student is required to pay directly and promptly to Immanuel College and Homestay. Homestay students may be able to make a claim through the Homestay Insurance provider.

## ***Immanuel College Cancellation of a Course***

In the unlikely event that Immanuel College is unable to deliver a course in which a student has enrolled and paid fees, the student will be offered the following options:

- full refund of all fees if the course has not commenced
- refund of unexpended pre-paid tuition fees if the course has commenced
- transfer to an alternative course offered by another provider.

If the student chooses placement in another course or another education provider, they will be required to sign a document indicating that they accept the placement.

If the student chooses a refund of fees, the refund will be processed within 14 days of receipt of written application.

## ***Deferral or Cancellation of Student Enrolment***

A student can request to defer their enrolment in the following circumstances:

- illness verified by medical certificate
- verified family bereavement
- financial circumstances, home country upheaval / disaster

All requests for deferral must be made in writing with supporting documentation for evidence. A revised Letter of Offer and Confirmation of Enrolment will be necessary if the student's late arrival results in any variation to the end date of their course(s).

Immanuel College can initiate the cancellation of a student's enrolment under the following circumstances:

- breach of a visa condition by student
- misbehaviour by student
- student default in payment of fees
- failure to declare a pre-existing medical condition
- information provided on application or during enrolment is found to be incorrect, incomplete or misleading.

Should this happen, the student will be notified in writing before being reported to the Department of Home Affairs (DHA) and given 20 working days to appeal the decision.

### ***Overseas Student Health Cover***

Immanuel College is able to arrange Overseas Student Health Cover (OSHC) for students applying for a student visa. All students are required to pay OSHC fees for the proposed duration of their student visa. These fees will appear in the Fee Invoice in the Offer package and must be paid prior to the grant of the visa.

Students whose health cover is not arranged by Immanuel College are required to provide a copy of their alternative health cover arrangements.

Where students cancel their enrolment after commencement and before the course end date, families can request a refund of unused OSHC directly from the health cover provider.

### ***Updating Student Contact Details***

All students are required under the ESOS Act to provide contact details, including mobile phone numbers and email addresses, within 7 days of any change being made. Immanuel College will contact students at a minimum every six (6) months to verify contact details.

### ***Satisfactory Academic Progress***

Students are required to comply with the Immanuel College policy on course progress and to maintain a satisfactory level of academic performance.

Students will only progress to their next course upon successful completion of their initial or subsequent courses and on the recommendation of the Head of School and Director – International Programs.

In cases where a student does not progress to the next level within the specified time and the course completion date will change, a new Letter of Offer and a new Confirmation of Enrolment(s) will be issued. The student must then apply for a new student visa to cover their revised study program.

### ***Satisfactory Attendance***

Students are required to comply with the Immanuel College policy on attendance.

### ***Travel***

**Immanuel College international students are not permitted to travel during term time.** Travel will only be approved during term breaks, the summer holidays and at the end of a student's course.

All travel must be jointly-approved by the parent and the College at least two (2) weeks prior to departure.

Where students are returning to their home country to visit family, they are required to provide a copy of their ticket/s to their school. If staying in a Homestay, students must pay a room holding fee before departing. This fee ensures the student's accommodation and belongings are secured for the period they are absent.

A student breaching this policy may have their enrolment cancelled and be reported to the Commonwealth on the basis that Immanuel College is unable to guarantee the student's welfare arrangements.

### ***Driving***

As a condition of enrolment at Immanuel College, international students are not permitted to own, hire or drive a car or motorbike. International students are not permitted to travel at any time in vehicles driven by other international students or any 'L' or 'P' plated drivers.

A copy of the Immanuel College Complaints and Appeals Policy is provided at enrolment and explained to students during their Orientation program. Any Agreement made with Immanuel College and the availability of the Immanuel Grievance and Appeals process does not remove the rights of a student to take action under Australia's consumer protection laws.
